Laboratory Casework Systems and Fume Hoods

MEZZO

Multi–purpose table

Built to perform. Anywhere.

More than just a work surface, these multi-purpose tables are built to support ideas in motion. Whether it's shaping young minds in a K-12 lab or advancing innovation in a research facility, their sturdy and adaptable design provide the strength and flexibility every workspace deserves.

PRODUCT CODE STRUCTURE
MEZZO

This page was created to explain how product codes are built and what is the meaning of every element in them. Using a standard product code in your project documents allows us to process your order quickly and accurately — so you get exactly what you expect, every time.

The complete list of product codes can be found in our online library under the "Product code lists" section.
